Bhaktivedanta Swami Prabhupada established

the society in 1966 and we, the members of ISKCON Hawaii are dedicated to fulfilling his vision of presenting the rich spiritual heritage of India's Vedic culture here in Hawaii and throughout the world.

## Support Temple Improvements

Dear Friends,

The Honolulu temple has extensive improvements and expansion planned. You can help. The most important items we would like to tackle is (one) to tent the building for termite and insect removal and (two) then to renovate the living quarters (Brahmacari Ashrama) of the temple for the full time residents. These are genuine renunciants and sadhus who have dedicated their lives to the service of the Lord and humanity. They want to continue to live simply on the bare necessities of life in a clean and orderly environment. Below is the estimated cost of renovation. Please contact our Temple President Sundarananda @ 808-384-5498 and he will be happy to tell you more about how you can help with these projects or visit <http://iskcon-hawaii.com>

\$5,000	Tent for termites/pest control entire building
\$12,000	Renovation of the brahmacari ashram and bathroom facility

## Upcoming Event

Join us Sunday, June 14<sup>th</sup> as we celebrate the disappearance day of Sri Gadadhara Pandita and Srila Bhaktivinoda Thakura. When the Lord or His devotees disappear from our vision in this material world there is nothing to lament but rather the event is joyful as they reenter the transcendental adobe and we have a chance to remember them and their divine activities and qualities.
